The screenshot shows a mobile navigation app interface. On the left, a blue sidebar contains navigation icons (home, car, bus, walking, bicycle, airplane) and a list of destinations: "601 Loyola Ave, New Orleans, LA 70113" and "K-Paul's Restaurant, 416 Chartres St, Ne". Below this is an "OPTIONS" section with "Send directions to your phone" and three walking route options, each showing a 21-minute duration and 1.0-mile distance. The main map area displays the selected route in blue, starting at 601 Loyola Avenue and ending at K-Paul's Restaurant. The map includes labels for various streets and neighborhoods such as Tremé-Lafitte, Iberville, and the French Quarter.
